

ekf_localization::EKF

```
classDiagram
    EKFROSWrapper --|> ekf_localization::EKF
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box labeled 'EKFROSWrapper'. A blue arrow points upwards from this box to a gray box at the top labeled 'ekf_localization::EKF'. This indicates that 'EKFROSWrapper' inherits from 'ekf_localization::EKF'.
